**EPIC STEAK American**

An upscale meat lover's mecca with a sophisticated atmosphere, EPIC Steak's bayside location delivers on all fronts. Professional service, choice cuts of prime rib and chocolate souffles are among the things that keep patrons coming back. An upstairs bar is also a happy hour favorite. 369 Embarcadero, 415.369.9955, [epicsteak.com](http://epicsteak.com) ¥ \$\$\$ \* LD 🕒
